RE: KHANH HUNG NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on July 11, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on June 1, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

RE: AN HOANG TRUONG NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on April 20, 2017 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on May 15, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson

RE: KHANH HUNG NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on July 11, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on June 1, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson

The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application to Register Permanent Residence or Adjust Status. A copy of this notice should be submitted with the application, with appropriate fee, to this Service Center. Additional information about eligibility for adjustment of status may be obtained from the local USCIS office serving the area where he or she lives, or by calling 1-800-375-5283.

If the person for whom you are petitioning decides to apply for a visa outside the United States based upon this petition, the petitioner should file Form I-824, Application for Action on an Approved Application or Petition, to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

What the Official Notice Said

The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. The above petition has been approved. We have sent it to the Department of State National Visa Center (NVC), 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. It also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

This completes all USCIS action on this petition. You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The NVC will contact the person for whom you are petitioning concerning further immigrant visa processing steps.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The Small Business Regulatory Enforcement and Fairness Act established the Office of the National Ombudsman (ONO) at the Small Business Administration. The ONO assists small businesses with issues related to federal regulations. If you are a small business with a comment or complaint about regulatory enforcement, you may contact the ONO at www.sba.gov/ombudsman or phone 202-205-2417 or fax 202-481-5719.

NOTICE: Although this application or petition has been approved, USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

RE: DA VAN NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on July 5, 2016 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on June 2, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson

RE: AN HOANG TRUONG NGUYEN
I-140, Immigrant Petition for Alien Worker

NOTICE OF REAFFIRMATION

Reference is made to Immigrant Petition for Alien Worker (Form I-140) filed by WAYNE FARMS LLC on April 20, 2017 as any other worker in accordance with Section 203(b)(3)(A)(iii) of the Immigration and Nationality Act (Section 203(b)(3)(A)(iii) of the INA).

U.S. Citizenship and Immigration Services (USCIS) approved Form I-140 on May 15, 2017 and forwarded it to the Department of State (DOS). The DOS subsequently returned Form I-140 to USCIS.

Pursuant to Section 291 of the INA, whenever any person makes an application for an immigration benefit, he or she shall bear the burden of proof to establish eligibility. Accordingly, the petitioner must prove by a preponderance of the evidence, in other words, that it is more likely than not, that the beneficiary is fully qualified for the benefit sought. See *Matter of E-M-*, 20 I & N Dec. 77 (Comm. 1989). After a careful review and analysis of all evidence within the record, USCIS finds that it is more likely than not that the petitioner has established eligibility for the requested benefit. Therefore, USCIS is returning the approved petition to DOS.

Sincerely,

Kirt Thompson
